THIS NATIONAL CHILDRENS MEDAL ARIAT NATIONAL ADULT MEDAL

Horse Show Information

Open to all USEF and Equine Canada member shows who apply to the THIS National Children's and/or Ariat National Adult Medal, c/o Ryegate Show Services, for recognition. Shows must apply at least 30 days prior to their scheduled show in order to offer the class. Early application will ensure inclusion on upcoming schedules.

Results must be **submitted** within 10 days from the completion of the show. Payment of \$7.00 per rider must accompany results. **Shows which fail to file timely results or shows which hold classes not previously applied for will not be awarded future dates.**

The THIS National Children's Medal or the Ariat National Adult Medal may be combined with an existing local or regional Children's or Adult Medal, as long as specifications are complied with for the National Children's or Ariat National Adult Medal class. In that case, points may be earned Locally and Nationally.

Points

Points will be awarded to sixth place in the same manner as Hunter Championships (i.e.; 10, 6, 4, 2, 1, 1/2).

This number will then be multiplied by the number of riders competing in the class to determine the number of points received. Classes that are split using the "california split" pinning will determine the # of exhibitors by taking the total # of exhibitors and dividing by the # of sets of ribbons awarded and rounded up. All splits at one show will have the same # of exhibitors used in determining points. (example - 99 total riders, 2 sets of ribbons, both sets of results will use 50 riders as the # of exhibitors).

Regional Series

Each Regional Series will consist of all shows in an USEF Zone. Canada will be an additional region. At the end of the qualifying period the rider accumulating the most points in each region will be declared the winner and receive an invitation to the finals. The high point rider at the end of the qualifying period will receive an invitation to the finals.

Combining/Splitting of Classes

Shows are permitted to combine the NCM and the NAM at their discretion. Points will be awarded for the actual ribbon won multiplied by the total number of riders in the combined class.

If a class has over 25 entries, management may elect to split the class by age of rider only.

If a class has over 50 entries it must be split either by age of rider or california split.

Classes with less than 25 riders may only be split if an age group hunter division is moved to a different ring.

Classes may be offered split by age in the prize list.

Qualifying Class Courses

To be shown over a minimum of eight fences 2'9" to 3' in height, spread not to exceed fence height. The course may be either a Jumper or Hunter type course and must include at least two changes of direction and a combination. Water obstacles (i.e.; water jump, liverpool) are not permitted.

Classes with less than 12 riders in the original class may have the test included in the original course. In such cases, 3 of the following must be included in the original course: bending line, narrow jump (5'6"-8'), rollback turn, fence at the end of the ring, long approach to a single jump, a combination, options 1-19 of USEF EQ113.

Tack Requirements

Conventional tack per USEF EQ106.5

Judging

Class to be judged in accordance with current USEF Standards for Equitation. An Open Numerical Scoring System must be used in the first round, with each rider's score announced at the completion of their round. There is no minimum requirement to fill the class.

A minimum of four (4) riders, if available, are required to perform at least two individual tests from USEF EQ113 1-19 at the conclusion of the first round. (exception: classes with less than 12 riders may have the test incorporated into the original round). See course requirements for specifics.
