THIS NATIONAL CHILDRENS MEDAL ARIAT NATIONAL ADULT MEDAL

Horse Show Information

Open to all USEF and Equine Canada member shows who apply to the THIS National Children's and/or Ariat National Adult Medal, c/o Ryegate Show Services, for recognition. Shows must apply at least 30 days prior to their scheduled show in order to offer the class. Early application will ensure inclusion on upcoming schedules.

Results must be **submitted** within 10 days from the completion of the show. Payment of \$5.00 per rider must accompany results.

Shows which fail to file timely results or shows which hold classes not previously applied for will not be awarded future dates.

The THIS National Children's Medal or the Ariat National Adult Medal may be combined with an existing local or regional Children's or Adult Medal, as long as specifications are complied with for the National Children's or Ariat National Adult Medal class. In that case, points may be earned Locally and Nationally.

Points

Points will be awarded to sixth place in the same manner as Hunter Championships (i.e.; 10, 6, 4, 2, 1, 1/2). This number will then be multiplied by the number of riders competing in the class to determine the number of points received. Classes that are split using the "california split" pinning will determine the # of exhibitors by taking the total # of exhibitors and dividing by the # of sets of ribbons awarded and rounded up. All splits at one show will have the same # of exhibitors used in determining points. (example - 99 total riders, 2 sets of ribbons, both sets of results will use 50 riders as the # of exhibitors)

Qualifying Period

All classes held at shows starting on or after August 21st of the previous year, through shows starting on or before August 20th of the current year will be counted toward this year's finals.

Class Conditions

- 1). Class to be judged in accordance with current USEF standards for equitation.
- 2). Conventional tack per USEF EQ109.2.
- 3). Splitting of classes: Classes with less than 15 entries may not be split. Classes with greater than 50 entries must be split using one of the following methods. No other method of splitting is allowed.
 - The preferred method of splitting is using the "california split" method of pinning, with one set of ribbons per 50 riders.
 - At managements discretion, classes of more than 15 riders may be split by age of the rider, using the age groups for the childrens and adult amateur hunters at that show.
