

Tiger Lilly II Wins \$5,000 NAL Low Junior/Amateur-Owner Jumper Final

Lydia Ulrich and Tiger Lilly II captured the title in the \$5,000 NAL Low Junior/Amateur-Owner Jumper Final after a four-horse jump-off. With no one going clean in the jump-off, it came down to who had the fastest four-fault trip, and with a time of 35.404 seconds, Ulrich and Tiger Lilly II took the victory. Over three seconds behind their time were Chloe Reid and King of Hearts who were second in 38.768 seconds.

Tiger Lilly II, an 8-year-old bay, was imported from Europe about a year ago and has been with Ulrich ever since. “She’s been going really well. We moved up through the levels over the summer and our goal is to do the highs in Florida this winter. This was my first time competing at Harrisburg and my first time competing with her [Tiger Lilly II] indoors. It was a good thinking course. Being indoors, I had to think really fast.”

Ulrich, 16, is a full-time student in Rochester, N.Y. who usually focuses on jumpers, but has recently become focused on equitation as well. This paid off when she competed in her first Pessoa/USEF Hunter Seat Equitation Medal Final presented by Randolph College on opening weekend at the Pennsylvania National Horse Show and finished in the top 25.
